Summer Workshop on
Music, Language and Movement

6th – 10th August 2007
Herstmonceux Castle, East Sussex, England

The Institute for Music in Human and Social Development (IMHSD), in collaboration with Queen’s University, Canada and the International Study Centre at Herstmonceux Castle, is holding an interdisciplinary summer workshop on the topic of Music, Language and Movement. The aim of the meeting is to consider the interaction between these different forms of human communication and artistic expression. The meeting will include lectures, discussions, workshops and performances and will take place in the beautiful environment of Herstmonceux Castle, East Sussex.
